Someone take these dreams away
That point to me another day
A dual of personalities
That stretch all true reality
And they keep calling me, they keep calling me
Keep on calling me, they keep on calling me
When figures from the past stand tall
And mocking voices ring the hall
Imperialistic house of prayer
Conquistadores who took their share
And keep on calling me, they keep calling me
Keep on calling me, they keep calling me
Calling me - calling me - calling me - calling me
They keep calling me, keep on calling me
They keep calling me, they keep calling me
