We were strangers, we were strangers,

Away too long,

away too long

We were violent strangers,

away too long,

Get weak all the time,

we just passed the time

Me in my own world, yeah you there beside

The gaps only moment,

we stared from each side

We were strangers, away too long

Violent, more violent his hand

cracks the chair

Moves on reaction, then slumps,

in despair

Trapped in a cage and surrendered

too soon

Me in my own world

Away too long

We were strangers (2)

Away too long (2)
