Guess the dream always end  
They don't rise up just descend  
But I don't care anymore  
I've lost the will to want more  
I'm not afraid, not at all  
I watch them all as they fall  
But I remember, when we were young  
Those with habits of waste  
The sense of style and the taste  
Of making sure you were right  
Hey, don't you know you were right  
I'm not afraid anymore  
I keep my eyes on the door  
But I remember...  
Tears and sadness for you  
Awe of evil for you  
Reflects a moment in time  
A special moment in time  
Yeah, we wasted our time  
We didn't really have time  
But we remember - when we were young

And all God's angels beware

And all you judges beware

Sons of chance take good care

For all the people out there

I'm not afraid anymore (4
