Change of speed, a change of style

A change of scene, with no regrets

A chance to watch

admire the distance

Still occupied - though you forget

Different colours, different shades

Over each mistakes were made

I took the blame

Directionless, so plain to see

A loaded gun won't set you free

So you say

We'll share a drink and step outside

An angry voice and one who cried

We'll give you everything and more

The strain's too much,

can't take much more

Oh I've walked on water,

run through fire

Can't seem to feel it anymore

It was me - waiting for me

Hoping for something more

Me - see me in this time -

Hoping for something else
