So this is permanence -

Love shattered pride

What once was innocence,

turned on its side

A cloud hangs over me,

marks every move

Deep in the memory,

what once was love

Oh how I've realized, I wanted time

Put into perspective,

try so hard to find

Just for one moment I thought

I'd got my way

Destiny unfolded -

watched it slip away

Excessive flash points,

beyond all reach

Solitary demands for all

I'd like to keep

Let's take a ride out,

see what we can find

Valueless collection of hopes
and past desires
I never realized the lengths
I'd have to go
All the darkest corners of a sense
I didn't know
Just for one moment -
hearing someone call
Looked beyond the day in hand
There's nothing there at all
Now that I've realized how it's
all gone wrong
Got to find some therapy -
this treatment takes too long
Deep in the heart of where
sympathy held sway
Got to find my destiny before
it gets too late
