Yeah yeah class heat uh I'm the ish right at the beat
spend alot of money
then it go in my pockets for real
Come on I head this and baltiore club music and I was
like I must have been
in the room when you made this song cause it's about
me man

[Verse 1: DJ Class]

I got these diamonds on my neck got protron in my cup
(come on) if you
want come and get it shawty I don't give a fuck see it's
Friday night
And I just got paid I then had a hard week now it's time
to celebrate see the
dj playin' my shit some of that club music shit
Make your girls wanna freak back up on my dick see it's
on tonight tryin' to
leave with something right I'm a grown ass man so
shawty you can spend the night

[Chorus:]

Cause I'm the ish up in this bitch yeah I'm the ish up in
this bitch yeah I'm
this bitch up in this bitch I'm the ish up in this bitch

[Verse 2:]

I got a crib down the hill and more right of town
Girl I'm harly ever home cause I'm always out of town is
that your girlfriend I
really like her
Her booty fat like your I really like her I know the club
was about to close
but it's only 3 o clock
Just hatin yeah they hatin cause I got this thing on lock
why the 2 baddest
bitches going home with me

[Chorus:]

Cause I'm the ish up in this bitch yeah I'm the ish up in
this bitch yeah I'm

this bitch up in this bitch I'm the ish up in this bitch

[Verse 3: J.D. & Trey Songz]

Ladies and Gentlemen we got JD Trey Songz up in this
bitch you know I
mean ish got deeper hope you got your boots ready
you know what I mean
let me say something

See I probably the ish the longest (yup) I don't deal with
fake and phyness
(no) girls treat me like one of the jones (yup)
Give a nigga all type of bonuses (yup) I really don't
know who song (no) is
but I head it and jumped right on the ish (yup) and if
the shoe fit you better
wear it and I swear is ish be me
Aye Trey

[Verse 4: Trey Songz]

She asked me what my name is (Songz)
Told her I was famous she don't know who Tremaine
(you don't know
Tremaine)
She must be brainless since the day I came in don't
know where them lames
went
But that ain't no issue better get your boy some tissue
miss you where my whistle
Got I your chick she doesn't miss you she gone be with
you when she kiss you
You be lickin' on my missile no homo see my logo yo
whole show like it's
promo type I had to force it
From now on don't call me bull shit

[Outro: JD]

What are you gone do when 2 names sound the same
you don't even know if
I'm say Tremaine Or Jermaine you see what them
niggas do to you
It's like 2 twins he might fuck you I might fuck you
never know what might
happen it's full of ish
