Drama King!!!  
Gang Green season begins, now!!!  
Nah, nah I don't do all that talkin man  
It's, It's one way or the other  
Your comin or your gonna watch another bitch leave  
with me  
You know that's, the way the shit go, heh heh  
I'm a fuckin rap star, heh heh

[Verse 1: Lloyd Banks]

Fresh off the plane I jets off in the range  
First class seats but the sweats costin the same  
The rap game will bring stress, fortune and fame  
And slow drive by's like when they aired out Kane  
I'm like a S55 little clear out chain  
They body me they body you and they will be out prayin  
My only wish to find you, catch you, lay yo' ass in a  
stretcher  
Bet ya, get ya, ass out the hood  
All I got is rap, for that, I spazz out for good  
That's my income, it keeps me in pads in Hollywood  
I'm hardly home, when I leave the club the party gone  
And I'm pissy of the Petrom tryin to get ma home  
My name Banks baby, I'm top rank lady  
I gotta go grab ya coat bitch you ain't crazy  
I skeet off damn near rushin and bend her over  
somethin  
And I'm pumpin, the volumes to the max and I'm frontin  
All of a sudden she come down on the humble for a  
feel  
And I'm driftin in alot of lanes fumblin the wheel  
A couple of miles later I'll be comin on a grill  
Then it's back to the hotel to chill, ma I give you the  
rush

[Chorus: Lloyd Banks]

Damn ma, your little outfit got my third head high, and  
I need you to understand  
I ain't really got alot of time, bitch you out ya mind  
It's me, damn love, don't you wanna get up out the  
handcuffs  
I ain't 'gon love you like your man does  
I ain't really got alot of time, bitch you out ya mind

[Outro: DJ KaySlay]
