[Chorus: Kanye]

Oh it can't Be

G.O.O.D. music my Grammy family

Used to bump the demo up outta the Camry

Now I'm hoppin out the limo or either the Lam B

But you niggaz gon' get in 'til you get to Miami

[Kanye West]

GLC gon be stoned as Angie

I be Don C, Johnny Patron, and me

It's a celebration bitches more bottles of cham-p-aign

In love with the same stripper that sprung T-Pain

And all this Louis Vuitton shit ain't cheap mayn

dawg I can't keep sayin G.O.O.D music the greatest
latest

stuntin out the middle of nowhere like Vegas

From the chi the city of hella haters

where we keep rising to the top like elevators

Hi haters I'm back of hiatus I feel just like you I mean
even I hate us

Turn the radio down I mean every song

Yeezy got a vision that's clearer than Evian

Used to hit the radio them faggots ain't let me on

Until Khaled turned up the volume

Hit the club wit it come on homie they wildin

Nas done told you come on homie we major

Really Doe told you hoes where we staying

G.O.O.D music up in this bitch now quit playing

Dawg it can't be

G.O.O.D. music the Grammy family

A little bit a stuntin flickin dawg it ain't deep

I'm only trying to spend what they claim you can't keep

before you die so I make sure I stay on the Chi side

like Lakeshore Drive, The Grammy Family

[Consequence]

uh,uh,uh

Ghea uh,uh it's the Cons fool.. word

Oh it can't Be

G.O.O.D. music my Grammy family
Used to bump the demo up outta the Camry
Now I'm hoppin out the limo or either the Lam B

And after music meetings wit evenings with Angie
It's gon' prolly add a joint that got John Legend and me
And we, be in Miami
So when they spot me in Bentley it's gon be a
stampede
cuz we be racing Bentleys no different than Grand
Prix's
fam please, don't make my man squeeze
And we can take it to the cars and I'll show you the
hand speed
I started independent with owners from land speed
But now they recognize the way they did for Sam
Sneed
And sense I got my shot like I was call and man b
I hope they lose they spot guarantee a plan B
We'll be waiting in the telli like Jamie and Fancy
prolly paintin they nails in nuthin but they panties
And we'll be up town Jimmy and Camby
headin to the game to watch Kenyon and Camby
They can't breathe or hardly catch they next breath
And I know my nigga Ye told you we was the best
dressed
I know I got a buzz so plan up the next step
So what ya'll wanna do when it comes to that next
check
And bet Quence and Khaled know what the business is
So open up them envelopes you know who the winners
is

Oh, Oh, Oh, The Grammy Family

[John Legend]
La La La La La La La La La La La La La La La La
On Grammy night call it G.O.O.D. family night
Celebrate tonight
Oh it's alright, it's alright... yeah
