[Jay-Z] I'm a bad M-a-r-c-y P-r-o-j-e-c-t Ain't no other motherfucker in the rap game harder than me I go hard and get it in like a porn star Follow my moves you wanna make it to the top I'm on star For new born stars Even when the camera stop I'ma hundred million dollar movie handle my cock Big homie from the back block When you first learn how to slap box Then you even learn how to chill with the pill Or handle the pot bring it back rocka Number one rule if you ass get popped Don't cheddar box to the matlocks Death before dishonor I'ma honor the code they created Number 2 ruined it and it might sound rude but yep fuck you paid me I drown my pain in porsches I lost my partner to the bullshit Still tryna hold on to my religion so I put a couple diamonds in the crosses Close your eyes see the darkness That's what it's like where I'm from No lawyers no doctors So either I go the hardest Or I could just call this a night on dark nights its like I see better on Dark Knights I'm like Heath Ledger Even if I overdose on drugs Motherfuckers can't kill my buzz Wait I ain't done I'ma freestyle this Khaled let it run What's the hardest county in the Yayo Cause ima go harder then they go I'ma go harder than Baltimore Philly gone say they can't touch the boy Where you at Duval? I'ma go harder than you all Harder than New York Turn the pro tunes in the booth off I'ma go harder than Ye go And Ye go hard That's baby bro Put some more beat on that joint [Chorus] If you could you would get rid of me What you gonna do when a nigga got to go hard But I wont let you get to me You should already figure imma go hard If you were as real as me You would never let another nigga step in yo yard Makin money ain't shit to me This in my veins and it gets to my heart So I am, I will , I gots to go You got another way to live you gots to go on I am gettin it in until the end I got to go, go, go , go hard [Kayne] I ain't ever been scurred Never been a type to bite my words When I came up ya'll gave me shit Now I'm gunna make ya'll eat them terds Always said what the fuck I felt Gon head spit that murder I wrote Man I dont care what what you felt fuck you nigga I know I'm dope Dope like I'm

comin to get my all Felt like I had to play the fly on the wall Felt like niggas was stuntin on me Funny how I'm flyer then them all Now I'm at the top ain't know where to go now Instead of me she gon go down Maybe I would of slowed down if I knew what I know now I'm scooby I know I'm dumb It could get fuckin old but its good I'm young But my heart get cold as the hood I'm from Tell me what it take to be numba one I guess its gon be what its gon be But heres one thing ya'll got to hear Imma tell you like george bush told me Fuck ya'll niggas I'm out of here [Chorus] If you could you would get rid of me What you gonna do when a nigga got to go hard But I wont let you get to me You should already figure imma go hard If you were as real as me You would never let another nigga step in yo yard Makin money ain't shit to me This in my veins and it gets to my heart So I am, I will , I gots to go You got another way to live you gots to go on I am gettin it in until the end I got to go, go, go, go hard
