I listen to the silence  
Without speaking  
Wind is touching my skin  
Is cold now  
My guitar's gonna cry  
And I'm dreamin'  
Life seems to have just passed me by

Rit.  
I will be there  
With you and I will find a light to die  
You will be here  
With me and my tears are becoming blood

I am lookin no more  
Keeping my breath  
And I thought to write words  
Anymore

My guitar's gonna cry  
And I'm dreamin  
Life seems to have just passed me by

Rit.  
I will be there  
With you and I will find a light to die  
You will be here  
With me and my tears are becoming blood

They are becoming Blood

I listen to the silence  
Is cold now  
Life seems to have just passed me by

Rit.

I will be there  
With you and I will find a light to die  
You will be here  
With me and my tears are becoming blood
