Verse 1 :

I see an angel flying down the sky,
He lifts me up and cries
Maybe, he's talkin' to me

Verse 2 :

I see a perfect face that shines,
I wonder if you are the one that,
Maybe, is comin' to me

Pre-chorus :

I close my eyes and i'll be there (I close my eyes)
I search the light through all my tears (you hold my
hand)
You hold my hand and baby, take me up to somewhere
better,
Where I can

Chorus 1x :

Fly high, the time is right
Fly high, to touch the sky
With you, with you

Verse 3 :

With all your joy you came into my life
You took my heart, and now i'm dyin
I'm dyin' for you

Verse 4 :

Rain is fallin' down our face,
You kiss my tears away, the music's playin'
It's playin' for you

Pre-chorus :

I close my eyes and i'll be there (I close my eyes)

I search the light through all my tears (you hold my hand)
You hold my hand and baby, take me up to somewhere better,
Where I can

Chorus 1x :

Fly high, the time is right
Fly high, to touch the sky
With you, with you

Verse 5 :

Tonight is gonna be the night,
To get into your soul (to get into your soul)
Let me show you that i'll stand there by your side
To hold you close, I won't let go
Together we will

Chorus 2x :

Fly high, the time is right
Fly high, to touch the sky

Fly high, the time is right
Fly high, to touch the sky
With you, with you....

Don't ever fear....

I'll hold you close....

I see an angel, flying down the sky
He lifts me up and smiles
Baby, i'm talkin' to you
