[Intro:]

Shout out to Javier Roman on the hook
{laughs}

[Chorus:]

Started from a sinner now I'm saved
Jesus gave His life and He rose from the grave, I
Started from a sinner now I'm saved
Jesus gave His life and He rose from the grave, I
Started from a sinner now I'm saved
Jesus gave His life and He rose from the grave, I
Started from a sinner now I'm saved
Jesus gave His life and He rose from the grave

[Verse 1:]

Team Jesus, and I sport it like a letterman
The Lord on my side, now I'm better than I ever been
He came for the sick, He's my medicine
He's my healer, my doctor, my therapist
He came to pardon sin with His excellence
Our crimes made punishment definite
And good deeds don't wash away the evidence
That's like trying to kill plaque with a peppermint
We are forgiven through the blood of Jesus
To praise His name, I can't find no better reason
His name ring bells like ya trick-or-treatin'
Demons hear it and they shiver like it's winter season
Uh, I been redeemed and I ain't goin' back
The road of sin's a dead end, no cul-de-sac
Satan you can't hold me back, conqueror, I'm more
than that
In the army of the Lord, screaming, where my soldiers
at

[Chorus:]

[Verse 2:]

Worthy is the lamb who was slain
They laid Him in a tomb, but He rose in three days
Worthy is the lamb who was slain
They laid Him in a tomb, but He rose in three days

Worthy is the lamb who was slain
They laid Him in a tomb, but He rose in three days
Worthy is the lamb who was slain
They laid Him in a tomb, but He rose in three days, So
I am not ashamed
{murmurs}
I am not ashamed
{murmurs}
Alright
