(Q-Tip)

OOOOOOHHHHH Ya (echoes)

Say What?

We was in the back of the joint cooling out

And I saw this girl

Asked her if she like it like that

Nod her head yes, therefore I didn't stress

Let my beat keep knocking cause we rock it like that

Bust your ass slow, as if you didn't know

Put my mic inside your brain zone, dis home dis

It's the rhyme, it's the beat that vibe all together

That makes the competitors sound like this

Really do I care yo, I let down my hair

When the music's up loud man, I jums real that

Lyrical valow, in club, in the go

In jeep in America, Tribe go mad

Females ride when my niggas just ride

With the songs we creating and musically relating

Sex niggas talk, my body's in chart

Meanwhile they boot shaking

On some funk shit faking

Wait, I can't front, stick men

Here's a few who really come to do

What they say gonna do

Back at the ranch

There's no car branch

Everybody gonna move when we say move

Do you like it?

Say yeah if you like it like that

YEAH!!!!!!

Do you like it?

Hell yeah if you like it like that

HELL YEAH!!!!!!

Do you like it?

Tell me if you like it like that

YEAH!!!!!!

Do you like it?

Verse two if you like it like that

COME ON!!!!!!

(Q-Tip)

Who could be the one

Rhyming ill, having fun
Blowing up, making musical memories and things
Elevate your thoughts on the vibe that we brought
While we climbing we shine like a super bowl ring
You could do it too
I mean hot like we do
It's a lot like we do and make your own mark
It's deeper than the song
Hope you live your life long
When you win, how you start, kid you gotta have heart
Niggas in my shit, move
Give a nigga room
Back it up, it's a grown man making on time
Plus you damn similar to Newport's
Smoking ain't a new sport
Smoke you sister in vendible
Gotta spread love, no matter where you are
Where you at, where you went
Cause nobody want beef
Fountain is good, just flows like a river
Just go with a nigga, kid my stay ain't brief
Put your heart in the day, in the night, family Enemies
but yo I
really don't wet that
We was in the back of the joint cooling out
And saw this girl
Asked if her if she like it like that, yo
You like it that (repeat till fade)
