"hey sucka nigga, whoever you are" (repeat 2X)

"hey sucka nigga, hey sucka nigga

whoever you are, whoever you are"

[Q-Tip]

Aiyyo, turn it up Muhammad

Turn everything up in the headphones

so I don't lose my vocals

Yeah that's good, turn my vocals a little bit

with the upper bassline

I be hatin sucka MC's, and the sucka niggas

Posing like they hard when we know they damn card

what you figure, rhyme-wise, I do the figure eight

So concisely, musically we are the herb so sit back

and light me, inhale *inhalation noise*

My style is kinda fat reminiscent of a whale

Young girls desires for the females dreams

I be the Abstract Poetic representin from Queens

Socially I'm not a name, black and white got game

If you came to the jam, well I'm glad you came

See, nigga first was used back in the Deep South

Fallin out between the dome of the white man's mouth

It means that we will never grow, you know the word

dummy

Other niggas in the community think it's crummy

But I don't, neither does the youth cause we

em-brace adversity it goes right with the race

And being that we use it as a term of endearment

Niggas start to bug to the dome is where the fear went

Now the little shorties say it all of the time

And a whole bunch of niggas throw the word in they

rhyme

Yo I start to flinch, as I try not to say it

But my lips is like the oowop as I start to spray it

My lips is like a oowop as I start to spray it

My lips is like a oowop as I start to spray the

Sucka nigga, nigga nigga

I throw the sucka in the front for the ones that front

The sucka niggas, nigga nigga

I throw the sucka in the front for the ones that front

The sucka niggas, nigga nigga

I throw the sucka in the front for the ones that front

It's the neo-nigga of the nineties, c'mon
I be hatin sucka MC's, and the sucka niggas
Posin like they hard when we know they damn card
what you figure, rhyme-wise, I do the figure eight
