Classic, classic...

Classic example of a...a date rape(4X)

Q-Tip:

Listen to the rhyme, it's a black date fact  
Percentile rate of date rape is fat  
This is all true to the reason of the skeezin  
You got the right pickin but you're in the wrong season  
If you're in the wrong season, that means you gotta  
break  
Especially if a squad tries to cry out rape  
You be all vexed cuz she got it goin on  
You don't wanna fight cuz you know that you're wrong  
So instead you rest your head on the arm of the couch  
Envision in your head of a great sex bout  
Worthy opponent, all you wanna do is bone it  
You ask can you kick it, she says you can't stick  
This is the case, the situation is sticky  
Should you try to kiss or head for a hickey  
Not even, you can ask Steven  
If the vibe ain't right, huh, ya leavin  
Hit the road Jack and all of that  
But if she offers her abode, to drop ya load  
Right smack dab in the middle  
Get the kitten, I got crazy tender vittles

Phife:

Uh huh, you know science, you get buckwild  
Runnin mad games as if your name was Scott Skiles  
Or better yet Magic or even Karl Malone  
Regardless who it is, your aim is to bone  
If she tries to front, then you start to dis her  
If she's with the program, that's when you start to kiss  
her  
Might as well get to the point, no time to waste  
Might as well break the ice, then set the pace  
You start to talk nasty, now she's ready to bone  
Step out of the shower, throw on cologne  
All of a sudden, her sugarwalls tumble down like  
Jericho  
She's hotter than Meshach, Shadrach and Abendego

You listen to After 7, break fool after 10  
Do your thing at 12 o'clock and when you go again  
There goes round 1, ding, there
