Classic, classic...

Classic example of a...a date rape(4X)

Q-Tip:

Listen to the rhyme, it's a black date fact

Percentile rate of date rape is fat

This is all true to the reason of the skeezin

You got the right pickin but you're in the wrong season

If you're in the wrong season, that means you gotta
break

Especially if a squad tries to cry out rape

You be all vexed cuz she got it goin on

You don't wanna fight cuz you know that you're wrong

So instead you rest your head on the arm of the couch

Envision in your head of a great sex bout

Worthy opponent, all you wanna do is bone it

You ask can you kick it, she says you can't stick

This is the case, the situation is sticky

Should you try to kiss or head for a hickey

Not even, you can ask Steven

If the vibe ain't right, huh, ya leavin

Hit the road Jack and all of that

But if she offers her abode, to drop ya load

Right smack dab in the middle

Get the kitten, I got crazy tender vittles

Phife:

Uh huh, you know science, you get buckwild

Runnin mad games as if your name was Scott Skiles

Or better yet Magic or even Karl Malone

Regardless who it is, your aim is to bone

If she tries to front, then you start to dis her

If she's with the program, that's when you start to kiss
her

Might as well get to the point, no time to waste

Might as well break the ice, then set the pace

You start to talk nasty, now she's ready to bone

Step out of the shower, throw on cologne

All of a sudden, her sugarwalls tumble down like

Jericho

She's hotter than Meshach, Shadrach and Abendego

You listen to After 7, break fool after 10

Do your thing at 12 o'clock and when you go again

There goes round 1, ding, there goes round two
Now tell me what the (fuck) are you supposed to do
What do you know, when the meow is completed
Girly girl cried rape, yo, I didn't really need it
Q-Tip:
Sweetheart, we ain't goin out like that(2X)
Sweetheart, we ain't goin out like that(zulu)
We ain't goin out like that(zulu)
We ain't goin out like that
Now baby bust it, if you wanna groove
Me and you can do it, it will be the move
I won't cry over spilled milk
If you won't let me take you to the Hilt
I don't wanna bone you that much
That I would go for the unforbidden touch
I'm not the type that would go for that
I'll have to fetch a brand new cat
Baby, baby, baby I don't wanna be rude
I know because of your bloody attitude
I know why you act that way
It usually happens on the 28th day
I respect that crazily
When you're done with the past can you come check
me
This ain't a joint to disrespect you
Because one head ain't better than two
Check it out
It's a classic example of a...a date...
