When these eyes close  
Minds, they will run  
From the insanity  
And the beautiful things

And when these eyes close  
A darkness may come to sing  
Yet it may sing brighter,  
Like the other side always brings

And when these eyes close  
Minds they will drift away  
Oh they will drift away  
Like a boat on the ocean  
A sail left open

Ohh, drifting  
Returning when wishing  
Got no time constraints  
But those running through the mind  
Ohhh but soon, soon to come on home  
And see the morning sun  
Say that it's all begun

Chorus:  
Lively, lively your spirits love  
I see you crying there, now, what are you dreaming of?  
Lively, lively your spirits love  
I see you smiling there, now, what are you dreaming  
of?  
Dream, dream dream, dream on, dream (x2)

Oh my son rises so, ohh so late you see  
To escape the pains he faces, and we  
Come by in these lives that we live and flee  
Beyond the misery, beyond the mystery

On a flower, she wishes for all she's got  
"He loves me, he loves me not"  
Just to grasp the wisdom the pedals hold

Dreams, oh dreams they come and go  
Tease the mind then flow  
Yes with the wind they blow, they go, they go so

And youâ€™re laying down so close me  
So beautiful indeed, now rise up slowly

Chorus
