Mellow mood has got my soul
Feeling good, yea feeling whole
All the while, bringing that smile
Weâ€™re feeling home, home sweet home

Ainâ€™t no place we need to be
Sitting steady, minds roam free
Oh how these words come easily-
We all know life gets down, you see

Ohh all these troubles, we have found
Struggling to hold our ground
In some ways, we may dread another day
Feeling so weighed down

Weighed down,
Feeling chained to the ground
Weighedâ€¦ weighed down

Chorus:
But then again...
Home! Got good people right by our side, and
Home! Makes our weak hearts strong when we cry
Home! Is bringing good things in our lives
And donâ€™t be fooled by goodbyes-

Home! Will follow you as you go on, and
Home! Is carried in your shadowâ€™s arms
Home! Is singing us that sweet, sweet song
Where ever you roam may you find yourself home!

Open arms and open eyes
Your greetings warm, and on the rise
Lend out your hands beneath these skies
Holding close, her sweet replies

You see now,
These traveling shoes bring traveling blues,
So pick us up music, weâ€™re yours to sooth
What you sayâ€™s got us feeling this way-
Weâ€™ll be dancing these pains away

See us in the morning, beginning to sway
Carrying on through the evening as the sunset fades
Feet moving to the rhythm on this sweet, sweet day
Bringing life and new color to these shades of grey

Donâ€™t you fade away now
No, donâ€™t you turn away now
Just hear these words we say now

(CHORUS)
