"Midwest Ease"

Ohh I am headed home
Back where my roots lay, where I™ d grown
From an old soul into new bones
For this time, this time around

Our lakes like oceans
Glacial gifts of ancient motion
Heal yourself with their potion
The Midwest holds my roots, it holds my devotion

No matter where I roam
No matter where I reside
This Midwest ease won™ t ever leave my side

That™ s just how it stands
These roots grow deep in these loving lands
Got good people with sturdy hands
Which keep us moving on and moving strong

Just as it seems
Keep things moving but keep things serene
Letting good fill the space between
Oh yes we™ re moving on

Chorus

In the winter the log wood™ s burning
We™ re keepin warm while the seasons spinning,
turning
Like the records of Justin Vernon
Just inundate your senses with it all

So grab a hold
Let it all unfold
It™ s all been told,
It™ s all been told, been told, been told

Chorus
