#### Simple Melodies

Simple melodies run through my mind  
I put them on paper but they erase with time  
These words they just can't describe  
What's been captured by the eyes and mind

But that's okay anyway, I'm rising slow  
The curtains part closed only preview what the day will  
show  
Look above now, the ceiling stars, they still glow  
No need for jealousies I've got all I need to know

A sea of blankets holds us down!  
While all our hard times drown  
And we don't fight to let them go!  
No, no, no  
Let them go, let them go

So we remain  
And begin to understand  
You look up and count the stars  
I look down and count the sand

But we lose track all too fast  
As we lose track of the tide  
As we lose track of it all  
And sail away

A sea of blankets holds us down!  
While all our hard times drown  
And we don't fight to let them go!  
No, no, no  
Let them go, let them go

Bridge:  
Let them go  
Let them go  
Go, gooooo

A sea of blankets holds us down!

While all our hard times drown  
And we donâ€™t fight to let them go  
Let them go, let them go
