I hold you  
Like youâ€™ve held me  
For so long now  
So patiently  
While I ran free  
And fell upon the road

You always  
Left your door open  
Knowing someday  
Iâ€™d return again  
Pleading, praying  
Let me in

Chorus:  
I see now youâ€™re the sun  
That Iâ€™d been waiting on  
Yes Iâ€™d been waiting on  
But you were never gone

Each morning you rose  
But from what I chose I fell  
Stuck inside the clouds  
While you remained the sun  
I now can see the sun

I hold you  
Like youâ€™ve been holding me  
For so long now  
So trustingly  
Without deceit  
With just tenderness and time

Ohhh and I know  
Iâ€™ve got a long, long way to go  
Itâ€™s not a stoneâ€™s throw  
Iâ€™ve got no time for moving slow  
Iâ€™ve got to let go  
And move on towards your love

Chorus

Bridge:

I now can see the sun

And it's only just begun! begun, begun, begun

Final Chorus
