Wake up sweet honey, the morningâ€™s seeping
through
The sun it shines between the blinds just to greet you
So donâ€™t rush words, just take it slow
Donâ€™t mind your worries, donâ€™t let them grab
hold.

And dance away your uncertainties
Let your glass be full, your smile be wide and the seas
be seas
Donâ€™t be anchored, donâ€™t be weighed down
Small change and smiles make the sweetest sounds.

Mmmmâ€¦ the sweetest sound
Mmmmâ€¦ the sweetest sound (x2)

Well taking it back in time
Revelation for the mind
All worthy moments spent
Living and loving meant

Ice cream and picture frames,
Stories of bears and games
Historyâ€¦.
Historyyy

Chorus:
Talking bout no socks, taking a quick stop, while
sheâ€™s laying there on the grass
Said just a few words before the mind blurred, thinking
about â€œohh how I need you nowâ€™
But so much unsaid, doubts control the head, you know
neither could anticipate
The good times, mixed in with road signs, and the
memories as theyâ€™ve come alongâ€¦
As theyâ€™ve come alongâ€¦
Oh as theyâ€™ve come alongâ€¦

Pictures really donâ€™t do justice, no
Let each thousand words paint a thousand turns for a
story told,

She said, "you know, even a small bed is meant for two"
And don't go running, from the best you knew.

The stars have come now to greet the day
Let the candles burn, the wax drop slow and let it melt away.
Eyes closed light up a different space
But drift away, it's a friendly place.

Ohh, a friendly place
Ohh, a sweet, sweet place (x2)

Well, taking it back in time
Revelation for the mind
All worthy moments spent
Living and loving meant

Pictures still kept frames,
Best of times still come the same
And the sunrise
Brings a smile

Chorus:
Talking bout no socks, taking a quick stop, while
she's laying there on the grass
Said just a few words before the mind blurred, thinking
about "ohh how I need you now"
But so much unsaid, doubts control the head, you
know, neither could anticipate
The good times, mixed in with road signs, and the
memories as they've come along!
As they've come along!
Oh as they've come along!
