\* Dr. Dre repeats "Zoom, Zoom, Zoom" over all the verses [Intro: Dr. Dre Talking] I got my mind made up  
Come on, get in, get into it To let it right Yeah, tonight's  
tonight Yeah, check it [Dr. Dre] Relax yourself, and let  
your conscience be free Get down to the sounds of the  
D-R-E Cause tonight's tonight, I'll get in some shit  
"yeah" Deep cover, black tint MAN Hummer Jams rock  
the whole summer Stackin' his green while niggaz get  
dumb and dumper A headline, keep the shines What's  
this surprise? Got the D.O. double G applied to me with  
the dope rhyme [Snoop Doggy Dogg] Wake up to make  
up, wake up it's time to take up More paper, it's Snoop  
and Dre who gettin' shake up And take up, to hold you  
all for all my dogs We hit you with that bang bang,  
boogie boogie y'all Whether slidin' in your lo-lo, or  
smokin' on some do do We're back in actions, spread  
the words, take some photos Cause, we got more  
paper to get, pounds to get I clowns the bitch, with  
pounds of shit, roll one nigga Uhh, just what the Doctor  
ordered It's the motherfuckin' father figure, I got a little  
older And got a little watcher But I still blast your ass  
with the 9 Mila-heat mind Aww, and incase you think I'm  
slippin' I'm dippin' with the bullet proof Sun rise, wise  
up [Chorus: Dawn Robinson + Dr. Dre AD-LIBS] Ooh, his  
first mistake was.. he had to do the crime "say what?"  
He had to hustle mornin' to the night "That's right, hah"  
If, he would have known then "yeah" The things that he  
knows now "yeah" He might not have got that time in  
Wayside [Dr. Dre] Yeah, it's me, white rag, cherry  
bently Cop shines from Italy, speak money language  
fluently Never fuck with the nastiest, flashiest Bought a  
house, big as Scarface to show my happiness Rack as  
the Six Zeros, for those who wanna get personal to  
home Cock the heavy metal, rollin' with my stones  
Prominent with flashy garments, spread a mill Small  
bills, bring a smile to the Ice grill Popular, loved  
throughout the industry If they sue light a philly cause  
the judge has got a Free Willy Salute with chill RÃ©my,  
gently And escort four ladies an arm to Four Seasons  
after the club bentley Condo suitÃ©s, I'm fancy Twenty  
floors up, overlookin' ladies, boomerang their panties

Bumpin' Snoop Dogg's latest, takin' trips to Las Dregus  
That's how we do it, Snoop is on you [Snoop Doggy  
Dogg] Niggaz puffin' while they're stuffin' dope down  
their drawers Niggaz stackin' while we're jackin' nigga,
