"One Way Street"

Holding on to what I got,
It seems like nothing's left...
Holding on to fading memories.

Answers are too simple
To the questions in my head,
Decisions and regrets have made me go this...

Refrain:
One way street, no exit not return,
Don't know what's waiting on the other side!

Actions and reaction they are
Nothing but foretold,
Your words are nothing more than empty sound.

And I'm begging you to get me
Back on track,
Begging you to get me off this lonely...

[Refrain]
One way street,
Don't know what's waiting on the other side!
One way street,
Don't know what's waiting on the other side!
