You told me, I was all you'd ever need  
You said, my love, would always be enough  
Scarlet kisses on my skin, fooled me till the end

Every single word you said, every drop dead shade of  
red  
were just lipstick promises  
Was I easy to deceive, you were so easy to believe  
I fell for your every kiss, and your lipstick promises.

Since you've gone, I see where I went wrong  
All your lies, somehow left me blind  
What you said would last so long, was only painted on.

Every single word you said, every drop dead shade of  
red  
Were just lipstick promises  
Was I easy to deceive, you were so easy to believe  
I fell for your every kiss, and your lipstick promises

Was I easy to deceive, you were so easy to believe  
I fell for your every kiss, and your lipstick promises

Every single word you said, every drop dead shade of  
red  
were just lipstick promises, just lipstick promises.
