Forever, your eyes will hold the memory.  
I saw your heart as it overtook me.  
We tried so hard to understand and reason  
But in that one moment, I gave my heart away.

I gave my heart away.  
In that moment, I gave my heart away.  
In that moment, I gave my heart away.

With that perfect breath where my mind lay beside me  
And all I knew is what had overtaken me.  
With no reason, I am comforted by inability to  
understand.

Forever, your eyes will hold the memory.  
I saw your heart as it overtook me.  
We tried so hard to understand and reason  
But in that one moment, I gave my heart away.

I gave my heart away.  
In that moment, I gave my heart away.  
In that moment, I gave my heart away.

Forever your eyes will hold the memory.  
Forever your eyes will hold the memory.  
Forever your eyes will hold the memory.

When I wake from this dream,  
Will your smile still open my heart  
And leave me transparent?

When I wake from this dream,  
Will your smile still open my heart?
