Hell hound!  
Hot leather on your legs,  
They're smoking power kegs  
Your ranting on means  
It's hell bound!  
And you're the one they claim  
Is going down in flames  
You're acting in Hades grave  
Hellion! The devil's hellion in town  
Hellion! We'll never have to die!  
Well, child,  
You're sweating and you're stoned  
They've got to knock you down  
Makes you crazy all night!  
You're in never ending pain

And drink the devil's rain  
You're screaming out your name  
Hellion! The devil's hellion in town  
Hellion! We'll never have to die!  
The Gods you worship are steel  
At the altar of rock and roll  
You kneel,  
A slave who forever rocks  
His tail in the devil's locks  
A slave like the bloody exile  
Hellion! The devil's hellion in town  
Hellion! We'll never have to die!
