For so long I have felt alone  
Content to live with unrest  
Longing faded into countless nights  
That buried my weary heart  
But You brought an end  
To this dead hour  
And meaning to a calloused life  
Held in Your arms  
But too far from my heart (x2)

[Chorus]:  
These thoughts will carry me  
Through The darkest nights  
While Your eyes rest in...  
These thoughts will carry me  
Through The darkest nights  
While your eyes rest in mine

I remember the way you looked at me  
And the way you drew me close  
With one deep sigh  
Scattering pieces of my restless mind  
Forgetting all that we have left behind [x4]

[Chorus] [x2]
