

As I Lay Dying "Through Struggle"

Only through struggle have I found rest
With a piece of me taken away
I begin to understand
Hollow out this machine like chest
With it's gears that turn to make me feel assembled
As I fade away

Only through struggle have I found rest
Only through struggle have I found rest

Remove from me
This deception that I called love
That I called love

With it's gears that turn to make me feel assembled
As I fade
I fade away

Remove from me (Remove from me)
This deception (This deception)
That I called love (That I called love)
That I called love

Only through struggle have I found rest
With a piece of me taken away
I begin to understand
I begin to understand
I begin to understand
