I'm deeply delighted by your glamorous beauty  
In a magic realm we linger forevermore

A glint warms my heart like sunbeams the earth  
Impassioned love-affair of eternal glee

Lovelorn harmony, here to respire  
We lust in ecstasy, forever combined

Softly the wind touches our bodies

We do breathe fragrant fulfillment

Welter in carnal lust

A glint warms my heart like sunbeams the earth  
Impassioned love-affair of eternal glee

Lovelorn harmony, here to respire  
We lust in ecstasy, forever combined
