

A Vain Attempt "I Can't Escape"

You screaming back, you think that I'm okey, just to
you, but I lied, to make a difference, I'm hiding myself
just tonight

Those razors hurt, I can't feel fine my love here tonight,
tonight
Bye bye to this, I can't feel fine my love here tonight,
tonight

I seem to be away and you will push me on and on and
on
I see the light I can't escape

I seem to be away and you will push me on and on and
on
I see the light I can't escape

You screaming back, you know that I obey, just tonight,
I have so much pain, YOU! I caused myself harm, for
you right now

Those razors hurt, I can't feel fine my love here tonight,
tonight
Bye bye to this, I can't feel fine my love here tonight,
tonight

I seem to be away and you will push me on and on and
on
I see the light I can't escape

I seem to be away and you will push me on and on and
on
I see the light I can't escape
This will be the last time I talk to you, for right now, I
say I hate you
What you did to me right now I can just say I hate you

I seem to be away and you will push me on and on and
on
I see the light I can't escape

I seem to be away and you will push me on and on and

on
I see the light I can't escape

I can't escape from you, escape from you, escape from
you, you did to me, I can't escape your hell, right now it
hurts
