[E-40]

Damn little momma

I ain't gon' lie yo' dome action is VICIOUS

Feel like I'm in yo' pussy when you suckin my dick!

[Chorus 1: repeat 2X]

Gimme head hoe! {\*repeat 6X\*}

Gimme head 'til I'm dead, gimme head hoe!

[Chorus 2: Bosko singing the line 2X]

Feels like I'm in yo pus-sy... when you suckin my dick

[Chorus 1] + [Chorus 2] - performed simultaneously

[E-40]

Smack it up, flip it, rub it down

Feels so good when you go downtown

I like it when you moan and groan and make that sound

I love to see your face when you do that frown

Don't hold back just do yo' job

Lick it up and down like corn on the cob

Slob on my knob while your pussy throb

Gimme head 'til I'm deader than a fuckin do'knob

Theraputic and healin, couldn't fight the feelin

She pulled my dick back like a banana peelin

Her throat game platinum, worth a million

Put her on the track, we can make a killin

She can wrap her whole mouth around a fireman pole

Suck a tennis ball through a garden hose

Low cut jeans, like to show that flesh

Pierced toungue ring, big lips and breasts

Ecstasy... Hennessy... broccoli... the remedy

Late night creepin at the Embassy

On hard like I'm out the penitentiary

Baby got back like a slab of ribs

Dang near wanna make her have my kids

Take her home, let her meet my mom and dad

Then introduce her to all my nigs

Front back, side to side

Gettin good head while I'm in my ride

Dip to the crib then we do it again

Have a deep throat contest, you and your friends  
Like the 4th of July I'm tryin to reach my peak  
Pull it out your mouth, now it's time to skeet  
Shoot it everywhere while I'm beatin my meat  
In your face, in your hair, all over the sheets

[Chorus 1] + [Chorus 2] - performed simultaneously w/  
ad libs

[Al Kapone]

Up and down, in and out, let me fuck you in your mouth  
Slow, want, head, that's the type of shit I'm talkin 'bout  
Gimme that, gimme that, I'm so glad you into that  
If chewings, what your doin, then you best believe I'm  
comin back

Black, white, asian, and latino, don't discriminate  
Take it out, take it to the face, then ejaculate  
Freaky bitch, nasty bitch, my nig' I swear she love this  
shit

Don't trip pimpin, she gon' swallow it if you bust in it  
Look into her eyes, she gon' cum, in the process  
Have her panties soakin wet, try to make her choke on  
it

Deep throat, action hard, dick is what I'm packin  
When she coughin, when she gaggin, she get pimp,  
satisfaction

... Got a nigga weak in the knees-ah  
Speakin in another tongue, thank you mamacita  
That's the way you freak her, pupita in her beaker  
Feelin like that pussy make me stroke it a little deeper

[Chorus 1] + [Chorus 2] - performed simultaneously w/  
ad libs

[Bosko - using a vocoder like Roger Troutman]

Suck, suck it baby (baby) suck all of me (all of me, all of  
me)

Suck, suck it baby (baby) suck all of me (all of me, all of  
me)

Suck, suck it baby (baby) suck all of me (all of me, all of  
me)

Suck, suck it baby (baby) suck all of me

[Chorus 1] + [Chorus 2] - performed simultaneously w/  
ad libs

[Chorus 1] + [Chorus 2] - performed simultaneously w/
