What'chu gon' do when I bend the block  
Pull up on that ass in a brand new drop  
Speakers on blast with tremendous knock  
TV's in the dash, rims just won't stop  
You need to be down with a pimp like me  
I ain't turnin down nuttin but my collar ya see  
I'ma leave you with my number you should holla at me  
Cause I'm a baller can't nobody hustle harder than me

[Chorus One]

[E-40]

Oooooh, big ass is right  
I ain't tryin to let that pass me tonight  
I'ma put my bend in and tell you somethin slick  
Whisper in your ear while I'm holdin my dick  
I don't mean no harm, it's the hood in me  
Sippin on that real sharp Hennessy  
Psychadelic colors in my jewelry  
Suckers hella jealous cause you're diggin me  
Ooh - now what'chu gon' do momma?  
I'm tryin to dip later on, me and you momma

I like the way that you groove when you move mamma  
You know the women love me, I'm the 40-Water!  
Poppin my P's cause I'm laced with game  
Nothin but the Yay flowin through my veins  
She wear {?} can't fit in the Gucci  
Cause her ass big enough to sit a cup on her booty  
Goodness!

[Chorus One]

[Kandi Girl]

Yeah I see you lookin, lookin  
But my ass in these jeans got you shooked, shooked  
I don't think you know what to dooooo with this pussy  
What'chu gon' dooooo with this pussy  
Yeah I know you want this, want this  
Try to chase me through the club for this good shit,  
good shit  
But I don't think you can hannnnndle this pussy  
What'chu gon' dooooo with this pussy

[E-40]

You lookin like you got that good gushy gushy  
Fuck around with me I'll beat the brakes off that pussy  
Have your ass comin like a porno star movie  
Tell your friends and I bet they all wanna do me  
Hoes know me, I'm E-4-oh  
They recognized pimpin when I stepped in the do'  
Higher than a satellite, full of that 'dro  
Holla at a player when you're ready to go!
