Sometimes I sit and ponder  
Of all the fucked up things in my life  
Can't make them go away  
And I'd be afraid

(Yeah Ha! Alright!)  
I'll let you know how I could not survive  
I finish up and walk right out the door  
When every days the same  
Not a dollar to my name  
And they all waltz around with fantasy cars  
And dollar bills waving in my face  
I could care less; I'm not impressed  
Cuz all your smiles are the same

I've made mistakes  
Well I'm alive  
This is the life for me  
Until the day I die  
You may be strong way down in life  
But when the night is young  
The strong resolve to fight

Pick up the paper, shake my hand, and roll my eyes  
Turn on the television  
My blood is getting thick  
So I write tonight  
To tell you about the things I can't explain  
And I wave goodbye; I'm not standing by  
To let you take control

I've made mistakes  
Well I'm alive  
This is the life for me  
Until the day I die  
You may be strong way down in life  
But when the night is young  
The strong resolve to fight

We carry question through the night  
When all the answers are denied (x2)

Sometimes I sit and wonder  
Of all the fucked up things in this life  
I can't pretend I'm right  
So I say its fate

Fight, Fight, Fight, Fight  
The strong resolve to fight (x4)
