#### Verse

You are the Hope  
The Hope of our nation  
Youâ€™re the Light  
The Light of our world

#### Pre-chorus

They say weâ€™re living in a dark world  
But thereâ€™s a light shining in my soul  
Say weâ€™re living in a cold place  
Still I feel the warmth of your embrace

#### Chorus

I was born for this  
To spread your light all across the Earth  
I was born for this  
To bring your love to this dying world

#### Bridge

Spirit of heaviness, go  
Lord, let your healing flow  
Spirit of heaviness, go  
Break every yoke

#### Vamp

Let your light come in
