Dear father, I have to pray
It's necessary not to forget
I have to apologize, I can't forget my mistakes
I have to clean my soul, I have to take out this pain
One, two, one two three four!
Am I the only one who see the end coming fast?
Why everybody is so quiet?
I'm the last man, the last man on Earth
There's no water, there is no food
The air is heavy and I'm so cold
I have to apologize, I can't forget my mistakes
I have to clean my soul, I have to take out this pain
One, two, one two three four!
Am I the only one who see the end coming fast?
Why everybody is so quiet?
I'm the last man, the last man on Earth!
Why I'm so bad, why I'm so sad
If I'm the only one who feels alive?
There is no hope, there is no luck...
But at least I have my gun!
Why I'm so sad, why I'm so bad
If I'm the only one who feels alive?
There is no hope, there is no luck...
But at least I have my gun!
Am I the only one who see the end coming fast?
Why everybody is so quiet?
I'm the last man, the last man on Earth!
On Earth!
