RALPH:

I've been away for much too long

I hope you still feel I belong

I didn't mean to cause you pain

Nothin' to lose, much more to gain

So can you stand the rain?

BOBBY:

Just when I thought that we were through

I found my way right back to you

I can't change what happened in the past

And won't promise this time it would last

Can you stand the rain?

(Can you stand the rain?)

CHORUS:

So on the story goes

Heaven only knows

The road of life will turn

A lesson we will learn

And no one knows but fate how we'll end

People who know

They say you can't go

'Home Again

But if you ask me

I'm happy to be home again

JOHNNY:

I stand here all alone confused

'Cause I like living with or without you

Will our story end

Like a fairy tale

Or just another heartbreak

Only time will tell

CHORUS

BRIDGE, RICKY, and JOHNNY:

(Home Again)

No matter where

No matter how

No turning back

No stopping now

'Cause we may never ever pass this way again

CHORUS

MIKE (Spoken):

So now you kinda understand the story, right

Me and the fellas trying to bring this back together

Just like old times

Ya'll know when it used to be Ronnie, Bobby, Ricky,  
Mike, Ralph,

Johnny

Take it back like that

So fellas, let's take this record home

And this time, let's stay there
