Still in love)  
I'm still in love with you  
Still in love  
Listen...

RALPH:  
Oh what can I do girl  
So much in love girl  
But your friends got you thinkin'  
And it's affecting you  
What can I do girl  
So in love girl  
And I don't know what to do  
'Cause I don't wanna lose you

RICKY:  
No what would I do without your love  
Baby it's heaven sent from above  
So you don't believe  
What your friends tell you about me

CHORUS:  
I'm still the man for you  
And I'm still the man that's true  
And I'm still the man who's lucky  
And I'm still in love with you  
It don't matter what your friends do  
They're just jealous of me and you  
And I'll always keep you happy  
'Cause I'm still in love with you  
I'm still in love

RICKY:  
Time passes so fast babe  
I wish it would last babe  
'Cause I know in my heart  
That my life ends and starts with you  
And baby I know that this feeling  
I'm feeling just won't let me go away  
'Cause you're the first true love I've ever known

RALPH:

So what would I do without your love  
Baby it's heaven sent from above  
And I know that in my heart  
I'm the best for you

CHORUS

RICKY:

Oh what can I do to right this love  
I know that it makes me happy  
To be in love with you  
So...

CHORUS

No one loves you (like)  
Like I love you girl  
I still love you  
I'm in love with you  
I'm still the man for you baby  
I'll always keep you happy  
I'll always be there baby  
'Cause I'm still in love  
I'm still in love with you
