Lil' Kim]

See it's two type of bitches in the world, heh

Ya got a broke bitch

You got a rich bitch

That would explain what I am

And what my girl, Missy is

We the rich mutha fuckin' bee-itches

That's right

And then you got a bitch like me

Who just stand above all bitches

That excludes my girl Missy, Mary, you knowumsayin'?

But y'all know what the fuck I mean

I'm the queen bitch, that's right mutha fucka, what?

Y'all got a problem wit it, come see me

A mutha' fucka' ain't takin' my title

Or my girl Missy title

Or my girl Mary title, what?

That's right

See only bitches like us

Is allowed to play a game of chess

You see, a real queen needs a king

You damn mutha' fuckin' right

I don't want a nigga laying up under me

That can't do for me

What I can't do for my mutha' fuckin' self

So when y'all see me in the street?

This is what I want y'all to do

Fix your lips, put 'em together nicely and say

Say it along, say it along now, say

"She's a bitch"

[Missy]

I was walkin' real slow to the dance floor

He was lookin' at my ass and I turned him on

I seen him talking to his boy on the cellular phone

I looked at him and all he could say was

Damn baby, bring it on

I talk shit but I come through like a storm

I keep my piece so sweet, yeah nice and warm  
And all he could feel, was this love baby

I don't give a fuck  
About what they think, what they say  
They can call me a freak  
Call me anything they wanna name  
I don't give a  
I don't give a

I just wanna take him home  
Take him to the house then turn him out  
He aint' checkin' for you

I don't give a fuck  
About what they think, what they say  
They can call me a freak  
Call me anything they wanna name  
I don't give a  
I don't give a

I just wanna take him home  
Take him to the house then turn him out  
He aint' checkin' for you
