Lil' Kim]

Yo, this the Queen Bee  
And I came to say a lil' sumpin'  
On my girl Missy's shit  
You see I got sumpin' to say  
That's right, I got a problem  
I got a problem with all y'all mutha' fuckas out there  
That got a problem wit' us callin' ourselves a bitch  
Yeah, that's right, I said it mutha' fucka  
BITCH, what

You see, bitch is a strong word  
And only strong bitches can use that mutha' fuckin'  
terminology  
Bitch  
I mean, if you can't wear the name  
Don't try to use it, shucks

[Missy]  
Throw your hands up if you like to get high  
To make a phat beat so we can party all night  
If you got beef you got to take it outside  
Throw your wrists up and let me see your eyes shine

Throw your hands up if you like to get high  
To make a phat beat so we can party all night  
If you got beef you got to take it outside  
Throw your wrists up and let me see your eyes shine

Throw your hands up if you like to get high  
To make a phat beat so we can party all night  
If you got beef you got to take it outside  
Throw your wrists up and let me see your eyes shine
