When I saw your face on the subway
I said to myself you're the one for me
For the whole day
My mind just couldn't let it be

Oh oh
Don't you ever leave me now
No no
You were lost but now you're found
Oh oh

Well it was a risk, but sometimes
You just gotta act when the train bell chimes
So I asked if
You'd wanna chill out on the fifth

Oh oh
Don't you ever leave me now
No no
You were lost but now you're found
Oh oh

Take me away from here to a place I can breathe
Where the stars arise and the angels hide

Oh oh
Don't you ever leave me now
No no
You were lost but now you're found
Oh oh

(one more time)

Oh oh
Don't you ever leave me now
No no
You were lost but now you're found
Oh oh

Well it was great meeting you
I hope you feel the same way too

And though I don't have a clue
I'm just so glad I found you
