[Eminem]

Woo! Shady, Aftermath (B-G-O-V)

Look at that bitch, shit! Hey!

There she goes, shakin that ass on the flo'

Bumpin and grinding it, ohh

The way she's grinding that, ohh (yeah, yeah)

I think I'm losing control (Bobby, Bobby, Bobby CREEK!)

[Bobby Creekwater]

I bought a girl Patron, I get in the Henn' I'm gone

My eyes ain't clear and I'm long so she hearin me
wrong

I'm kinda in the zone cause the DJ playin my song

Just another opportunity for sayin I'm known

I'm from Atlanta, so Southern ain't just a part of my
grammar

I can dump and cock my hammer for any nigga with
ammo

But I came here to get on Goose and Tropicana

Get loose, put some more in my juice and your
caboose

Sippin everything from white cran to deuce-deuce

With nothin to gain but my grains and loose tooths

Eminem came, then Obie, Stat and Proof too

Bobby Creek is in the place, the name is new too

But the money been around, my drinks is ten around

I can make her spin around, least she keep her dinner
down

Simmer down, we can hit the telly when the fun stops

And I let you and your girl come tickle my gumdrops,
yo

[Nate Dogg]

Three to the one from the one to the three

I met a bad bitch last night in the D

Let me tell you how I made her leave with me

Conversation and Hennessy

I've been to the motherfuckin mountain top

Heard motherfuckers talk, seen 'em drop

If I ain't got a weapon I'ma pick up a rock

And when I bust yo' ass I'm gon' continue to rock
Getcha ass of the wall with your two left feet
It's real easy just follow the beat
Don't let that fine girl pass you by
Look real close cause strobe lights lie

We 'bout to have a party - turn the music up
Let's get it started - go 'head and shake your butt
I'm lookin for a girl with a body and a sexy strut
Wanna get it poppin baby step right up
Some girls they act retarded
Some girls are bout it, bout it
I'm lookin for a girl that will do whatever the fuck
I say everyday she be givin it up

[Chorus: Nate Dogg]

Now shake, that, ass for me - shake that ass for me
C'mon girl shake, that, ass for me - shake that ass for me
Aw girl shake, that, ass for me - shake that ass for me
C'mon girl shake, that, ass for me - shake that ass for me

[Eminem] OBIE TRICE!

[Obie Trice]

One slug couldn't snuff young cuz
Goodness gracious, haters stay on his nuts
Wood just like a hoodrat chick who was curious
Serious full breast ready to touch
Who's that in the Coupe blew back with a blue new hat
givin head while he poppin the clutch?
True that I had a few, Obie rollin with brutes
And Nathaniel annually knockin the boots
It's all manual the way I get 'em outta they shoes
Talk a lil' shit then they anus'll ooze
Hock a lil' spit on my dang-a-lang boo
It's Sha-dy; you know the name of the crew
You know the aim is to bang you in a mansion
With a Magnum when the night came to the matinee
Mathers, Nate, Obie - came to party
You better ask somebody

[Chorus]
