Who run it?

You know, you actin like you don't know

We run it

You know but you actin like you don't know

You know, you actin like you don't know

I tear the club up fo sho

This flow is gon bring more dough

And you know but you actin like you don't know

[50 Cent]

Now homie I say I run it (run it) cause I'm in control

Hypnotic, Hennessey, a couple shots of Patron

I have you feelin aight, I get you high as a kite

Party poppin shawty says she comin with me tonight

I ain't shoulder leanin, I ain't snappin and poppin

Either I'm bobbin ma head or I'm just stadin their watchin

And I protect what I got, I'm in the house with my blade

Nigga you front you gone get it, ok now maybe I said it

Cause I want you to triddy, yeah I be on that shitty

You should see when I'm stuntin, I flash the stones to be wantin

Push the whip, see me rollin, you can tell that I'm holdin

I'm just doin ma thang, you know the Units the game

I got my grimy Shady with me you front you gonna have to get me off your ass

I pay the lawsuit and laugh (haha)

It's not a big deal it's nothing but some cash (let's go)

[Chorus: 50 Cent]

Who run it?

You know, you actin like you don't know

I tear the club up fo sho  
This flow is gon bring more dough  
And you know but you actin like you don't know  
Who run it?  
You know, you actin like you don't know  
I tear the club up fo sho  
This flow is gon bring more dough  
And you know but you actin like you don't know

[Eminem]

When me and Fif got together to do this music  
The more we became enveloped we just developed a  
fellowship through it  
It's no pretend shit, it's friendship, me nemesis is your  
nemesis  
Ain't for him, it's just media, see to them it's just  
images  
But this shit is no gimmicks, this is blood in and blood  
out  
When there's beef you jus' gotta know when to butt in  
and butt out  
If there's a problem we solve it, if we don't resolve it  
It usually just evolves into one big brawl and we all get  
involved in it  
We should all get a merit, this much beef we inherit  
And wear it like a badge with honor, pass it around and  
share it  
And let it go to whoever's holdin the most current  
people on their shoulders  
And their soldiers got their backs til it's over  
But tonight, we ain't comin here to beef with nobody  
We came to party, Banks, Cashis and Mr. Ferrari  
So it's Shady Aftermizat back in that ass, you wizzass  
Come hizzon what kinda fuzukin quizition is that

[Chorus: 50 Cent, Eminem]

Who run it?  
You know, you actin like you don't know  
I tear the club up fo sho  
This flow is gon bring more dough  
And you know but you actin like you don't know  
Who run it?  
I say you know, you actin like you don't know  
I tear the club up fo sho  
This flow is gon bring more dough  
And you know but you actin like you don't know

[Cashis]

Pistol play ricochet, see where the victim lay  
Slumped over bleeding J.F.K  
H.K. to your chest plate cave

I'll ride to the death, do you rep that way?  
Forever ima be a Shady 7-4 gangsta  
Plus I survive everything you got in that chamber  
I thrive off of danger, jumpin in all beef  
You keep talking shit now the squad called me

[Lloyd Banks]

Enough holdin back the steam, Em let off a magazine  
Dappadon Cappa queen mixed in with Cashis creams  
Started off with half a dream, developed into what you  
see  
Telling ain't my cup of tea, can't tell I'm a fuckin G  
I'm on automatic when I'm at it, start static  
And you splattered, shit shattered, I'm a walkin bitch  
magnet  
Spit it how I love it, live it all the way to the limit  
And I'm always on my pivot for my digits, you dig it?

[Chorus: 50 Cent]

Who run it?  
You know, you actin like you don't know  
I tear the club up fo sho  
This flow is gon bring more dough  
And you know but you actin like you don't know  
Who run it?  
You know, you actin like you don't know  
I tear the club up fo sho  
This flow is gon bring more dough  
And you know but you actin like you don't know  
Who run it?
