[Chorus: Rihanna] Just gonna stand there and watch me burn Well that's alright because I like the way it hurts Just gonna stand there and hear me cry Well that's alright because I love the way you lie I love the way you lie.. [Eminem] I can't tell you what it really is, I can only tell you what it feels like And right now it's a steel knife, in my windpipe I can't breathe but I'll still fight, while I can fight As long as the wrong feels right it's like I'm in flight High off of love, drunk from my hate It's like I'm huffin paint and I love it the more I suffer, I suffocate And right before I'm about to drown she resuscitates, me She fuckin hates me, and I love it, wait! Where you goin? "I'm leavin you!" No you ain't! Come back, we're runnin right back, here we go a-gain It's so insane cause when it's goin good it's goin great I'm Superman with the wind at his back, she's Lois Lane But when it's bad it's awful, I feel so ashamed I snap, who's that dude? I don't even know his name I laid hands on her, I'll never stoop so low again I guess I don't know my own strength [Chorus] + "I love the way you lie" [Eminem] You ever love somebody so much, you can barely breathe when you're with 'em You meet, and neither one of you, even know what hit 'em Got that warm fuzzy feelin, yeah them chills used to get 'em Now you're gettin fuckin sick of lookin at 'em You swore you'd never hit 'em, never do nothin to hurt 'em Now you're in each other's face, spewin venom in your words when you spit 'em You push, pull each other's hair, scratch, claw, bit 'em Throw 'em down, pin 'em, so lost in them moments when you're in 'em It's the face that's the culprit, controls you both So they say you're best to go your separate ways, guess that they don't know ya Cause today, that was yesterday, yesterday is over It's a different day, sound like broken records playin over But you promised her, next time you'll show restraint You don't get another chance, life is no Nintendo game But you lied again, now you get to watch her leave out the window Guess that's why they call it window pane/pain [Chorus] + "I love the way you lie" [Eminem] Now I know we said things, did things, that we didn't mean Then we fall back into the same

patterns, same routine But your temper's just as bad as mine is, you're the same as me When it comes to love you're just as blinded, baby please Come back, it wasn't you, baby it was me Maybe our relationship isn't as crazy as it seems Maybe that's what happens when a tornado meets a volcano All I know is I love you too much, to walk away though Come inside, pick up your bags off the sidewalk Don't you hear sincerity, in my voice when I talk? Told you this is my fault, look me in the eyeball Next time I'm pissed I'll aim my fist, at the drywall Next time? There won't be no next time I apologize even though I know it's lies I'm tired of the games, I just want her back, I know I'm a liar If she ever tries to fuckin leave again, I'ma tie her to the bed and set this house on fire Just gonna [Chorus] + "I love the way you lie"
