[Intro: Ol' Dirty Bastard] Ladies and gentlemen, En Vogue, Osirus This is dedicated to all my monkeys
Gonna funk you right on up, gonna funk you right on up
Gonna funk you right on up, gonna funk you right on up
Gonna funk you right on up, gonna funk you right on up
Gonna funk you right on up, gonna funk you [En Vogue 1] Im loving you too much Don't take advantage of My tender heart and everything about me In giving you my trust Im giving you my love So do take care, please be gentle with my heart [Hook: (En Vogue) En Vogue 1] (Bum, bum, bum) Everything I do is about you baby (Bum, bum, bum) Baby I don't wanna give up I've been loving you from the start Here's my head, here's my heart Everything I do is all about you baby [Chorus: En Vogue] Whatever you do, whatever you think I look in your eyes You dont know how my heart aches Whatever you say, whatever could mean You're breaking my heart [En Vogue 1] I want it all the time, I want it every night I can't stop thinking, can't stop thinking about you I'm burning with desire, my heart and soul on fire So do take care, please be careful with my heart [Hook: (En Vogue) En Vogue 1] (Bum, bum, bum) Anything you do I crave it baby, baby, baby (Bum, bum, bum) I cant get you out a my mind (bum, bum, bum) Loving you I can't deny you're in my heart Deep inside, everything I do is all about you, baby [Chorus] [En Vogue] w/ ODB in the background I may be a fool for you, baby Well, I cant help myself Maybe Im too in love What else can I do but go crazy For your love, boy, Id give anything [Ol' Dirty Bastard] On and on, it's the rap professor Freaky and alive, the women caressor Never say I'm freaky or a pervert But baby, I'm a singer man, and I flirt I'm throwing you some nuh, my foot comes down When a man has a woman, he can nver leave town She's all on my back, oh, blocking my goals Same time ho, get off my own [Chorus 3X] [Interlude: Sample] [Chorus]
