Enrique:

Go ahead just leave, can't hold you, you're free
You take all these things, if they mean so much to you
I gave you your dreams, 'cause you meant the world
So did I deserve to be left here hurt
You think I don't know you're out of control
I ended up finding all of this from my boys
Girl, you're stone cold, you say it ain't so,
You already know I'm not attached to material

I'd give it all up but I'm takin' back my love
I'm takin' back my love, I'm takin' back my love
I've given you too much but I'm takin' back my love
I'm takin' back my love, my love, my love, my love
My love..

Ciara:

Yeah

What did I do but give love to you
I'm just confused as I stand here and look at you
From head to feet, all that's not me
Go 'head, keep the keys, that's not what I need from
you
You think that you know (I do), you've made yourself
cold (Oh yeah)
How could you believe them over me, I'm your girl
You're out of control (So what?), how could you let go
(Oh yeah)
Don't you know I'm not attached to material

Both:

I'd give it all up but I'm takin' back my love
I'm takin' back my love, I'm takin' back my love
I've given you too much but I'm takin' back my love
I'm takin' back my love, my love, my love, my love

I'd give it all up but I'm takin' back my love
I'm takin' back my love, I'm takin' back my love
I've given you too much but I'm takin' back my love
I'm takin' back my love, my love, my love, my love

Enrique:

So all this love I give you, take it away, (Unh, uh huh)

Ciara:

You think material's the reason I came, (Unh, uh huh)

Enrique:

If I had nothing would you want me to stay (Unh, uh huh)

Ciara:

You keep your money, take it all away

I'd give it all up but I'm takin' back my love

I'm takin' back my love, I'm takin' back my love

I've given you too much but I'm takin' back my love

I'm takin' back my love, my love, my love

I'd give it all up but I'm takin' back my love

I'm takin' back my love, I'm takin' back my love

I've given you too much but I'm takin' back my love

I'm takin' back my love, my love, my love

I'd give it all up but I'm takin' back my love

I'm takin' back my love, I'm takin' back my love

I've given you too much but I'm takin' back my love

I'm takin' back my love, my love, my love, my love

Ooh, my love

Ooh, my love
