Go ahead
Just leave
Can't hold you you're free
You take all these things
If they mean so much to you
I gave you your dreams
Cause you ment the world
So did I deserve to be left in hurt
Sou think I don't know
You're out of control
And then I find all this from my boys
Girl you said i'm cold
You saving souls
You're already know i'm not a touching material

CHORUS:

I give it all up but i'm taking back my love
I'm taking back my love
Im taking back my love
I've giving you too much
But i'm taking back my love
Im taking back my love my lovemy lovemy lovemy love

SARAH:

what did I do?
But give up to you
I'm just confused
As I stand here look at you
From head to feet
Always about me
Go ahead keep your keys
Its not what i need from you
You think that's enough

ENRIQUE "I do"

you made your self cold

ENRIQUE " oh yeah"

How could you believe

Your more then me

IÂ´m your girl
You're out of control
ENRIQUE "so what"
How could you let go
ENRIQUE "oh yeh"
Dont you know IÂ´m not touching material

RE. CHORUS

I give it all up but i'm taking back my love
I'm taking back my love
I'm taking back my love
I've giving you too much
but i'm taking back my love
I'm taking back my love my lovemy lovemy

RE. CHORUS

I give it all up but i'm taking back my love
I'm taking back my love
I'm taking back my love
I've giving you too much
But i'm taking back my love
I'm taking back my love my lovemy lovemy

ENRIQUE

So all this love I gave you take it away

SARAH

You think material is the reason I came

ENRIQUE

If I have nothing what do u want me to say?

SARAH

You take your money you take it all away

RE. CHORUS

I give it all up but i'm taking back my love
I'm taking back my love
I'm taking back my love
I've giving you too much
But i'm taking back my love
I'm taking back my love my lovemy lovemy

RE. CHORUS

I give it all up but i'm taking back my love
I'm taking back my love
