Turn it up loud
Hahaha, ahahaha, hey man
You a little sucker for love, right?
Word up, hahahahaha

I shoulda seen
you was trouble right from the starrrrt, taught me so
many lessons
How not to mess with broken hearts, so many
questions
When this began we was the perfect match, perhaps
we had some problems but we workin at it, and now
the arguments are gettin loud, I wanna say
But I can't help from walkin out just a little way
Just take my hand and understand, if you could see
I never planned to be a man it just wasn't me
But now I'm searchin for commitment, in other arms
I wanna shelter you from harm, don't be alarmed
Your attitude was the cause, you got me stressin
Soon as I open up the door with your jealous questions
Like where can I be you're killin me with your jealousy
Now my ambition's to be free
I can't breathe, cause soon as I leave, it's like a trap
I hear you callin me to come back, I'm a sucka for love
... that's right, sucka for love

Chorus: Eric Williams

What you won't do, do for love
You tried everything, but you don't give up
(repeat 2X)

Just when I thought I broke away and I'm fellin happy
You try to trap me say you pregnant and guess who the
daddy
Don't wanna fall for it, but in this case what could I do?
So now I'm back
to makin promises to you, tryin to keep it true
What if I'm wrong, a trick to keep me on and on
Tryin to be strong and in the process, keep you goin
I'm bout to lose my composure, I'm gettin close

To packin up and leavin notes, and gettin ghost
Tell me who knows, a peaceful place where I can go
To clear my head I'm feelin low, losin control
My heart
