I think I've waited too long  
I thought our love is strong  
but now you say  
it's time to face the truth

we had a plan of the road  
I don't know where we went wrong  
but now you say  
it's time to move on

suddenly my dreams turning to a nightmare  
and suddenly all I believed in is all up in the air  
come back to me  
come back to me  
come back to me  
'cause I need you  
I need your arms around me

I dry the tears on my skin  
I treated you as my kin  
but now you say  
it's time to face the truth

and that I thought I gave you  
I never wanted to stop this dream  
why did you let go?

suddenly my dreams turning to a nightmare  
and suddenly all I believed in is all up in the air  
come back to me  
come back to me  
come back to me  
'cause I need you  
I need your arms around me

whatever it takes tell me and come back to me

I'm gonna believe you  
whatever you say  
just come back to me

I don't mind if you lie  
I'm not gonna ask where you've been  
just come back to me

whatever it takes tell me and come back to me

I'm gonna believe you  
whatever you say  
just come back to me

I don't mind if you lie  
I'm not gonna ask where you've been  
just come back to me

I'll do whatever you desire  
but I need your arms around me

I need your arms  
I need your arms around me  
ooh I need your arms  
I need your arms around me

your arms around me...  
I need your arms around me
