What else could go wrong today? another speeding ticket, another fine, more things that I can't pay. My credit card is due my phone bill is two months late, my homework's not done and I feel overwhelmed.

But I'm thinking is your vision of my life keeping you awake at night? because I don't want to let myself slip away
from your armsÃ¢â€Œ!

I'm looking at you and nothing's changed not the same old shit of changing around Just to fit in the crowd
Never looking for the trendy fad to follow.

My credit card is due my phone bill is two months late
my homework's not done And I feel overwhelmed
And I'm thinking is your vision of my life keeping you awake at night? because I don't want to let myself slip away from your armsÃ¢â€Œ!
